

Elks Pool Expectations

The Pool is for members & their guests only. As such, there is no Lifeguard on duty, and all patrons must swim at their own risk.

Members may purchase Guest Passes for any non member or child for \$5 per day. Children of Members are not permitted to purchase guest passes or sign guests in. Only Members or their Spouses may purchase guest passes.

When the Member or Member's Spouse leaves the pool area, their guest must leave as well.

Guests under 21 may purchase as many guest passes as needed provided they are with a Member.

Members may purchase a \$25 pass for a babysitter, provided that person is 16 years of age or older. The babysitter is then responsible for the children of that member and is not permitted to watch over children of another family at the same time. If the babysitter is asked to watch children of another family, that family will be required to purchase the \$25 pass as well.

Children under 16 must be accompanied by a member or babysitter as spelled out in the rule above.

Pool Monitors reserve the right to deny access to any patrons unwilling to follow the above rules. Access can also be denied to any patrons causing a disturbance to the other patrons at the pool.

Pool Hours are every day, 11 am to 8 pm.

Bedford Elks Country Club

MEMBERSHIP

INFORMATION

Welcome

The Bedford Elks Country Club and the Benevolent and Protective Order of Elks has served Bedford, Pennsylvania, as a family-friendly recreation center for more than 70 years. With views of the surrounding forested mountains and a scenic golf course, the Bedford Elks Country Club is a relaxing, lively site for family fun.

Thank you for considering membership to the Bedford Elks Country Club. We look forward to seeing you and your family!
